

## Te Anau After School and Holiday Programme

### O.S.C.A.R. Out of School Care and Recreation Programme Expressions of Interest

Dear Parents

Te Anau After School and Holiday Programme is looking into establishing an out of school care and recreation programme for the families of Te Anau Primary School. This may include after school and holiday programmes, depending on the demand for these services. It is our intention to run these programmes from Te Anau Primary School. We would be grateful if you would complete the following survey form and return it to the school by Monday 20 February or if you choose you can email your response to [care4kidstnu@gmail.com](mailto:care4kidstnu@gmail.com)

Our aim is to provide safe, quality care for the students of Te Anau Primary School at an affordable price. A variety of age appropriate activities and games will be organised and the children will be fully supervised at all times.

### **BENEFITS OF A CYF OSCAR APPROVED PROGRAMME**

- ✓ A CYF OSCAR approved programme gives greater reassurance to parents/caregivers that this is a suitable and safe programme for their children to attend.
- ✓ Being CYF OSCAR approved provides external independent assurance that the programme is meeting a range of operational standards.
- ✓ Parents/caregivers may qualify for an OSCAR fees subsidy
- ✓ What Is The OSCAR Subsidy?

The OSCAR subsidy is part of the Working for Families package which is delivered by Work and Income and Inland Revenue. It pays extra money to many thousands of New Zealand families in a bid to make it easier to work and raise a family.

The OSCAR Subsidy helps towards the costs of before and after school care of up to 20 hours a week, and school holiday programmes of up to 50 hours per week.

The amount families are entitled to depends on their circumstances. The current rates as of 1 April 2011 can be viewed on the Work and Income Website: <http://www.workandincome.govt.nz>
