Dear Parents, Caregivers and Whanau

We feel privileged as a school to have such a supportive community again this week. We have a new initiative here at school to help support our reading programme called 'Rad Readers'.

The group consists of 7 community members who come into school one day each a week to hear children read. The 'Rad Readers' listen to students to help them practise what they have learnt in class. Each student reads a book that they have read with their teacher to a community member three times a week..

Our 'Rad Readers' programme will build on student skills, build connections with community members and help raise the level of oral language.

On another note, we have our Te Anau Basin Cross Country coming up next Thursday. This is a fantastic opportunity to get out and challenge ourselves along with Mararoa School. The course will again be at the Willans' farm on Wilderness Road. We would like to thank Mararoa School and The Willans' family for putting on the day.

The day is always a fun community get together to watch our students strive to do well no matter whether it is to finish first, second or to just finish. We always see three of our FIORDLAND Values shine through on the day! Determination, Optimism and Fairplay will be shown in spades! See you there.
