Climbing Our Way To The Top!!

Term 2 Week 6 2021

Principal's Pen

Dear Parents, Caregivers and Whanau,

As I am writing this, I am sitting at the back of the bus. Now this isn't rugby as you might be thinking, I am sitting at the back of the bus with our 41 fantastic Year 6 students. We are on our way back from a day of learning at the GRIP Leadership conference in Gore.

The children are all excited from what has been an inspirational and helpful day where they learnt about being a good leader. Since I have these children sitting next to me they are going to help me write this article.

To start off, the children learnt how they could be leaders with Talents, Interests, Making a Difference and Experience. This gave the children the ability to see how they all could be leaders.

The presenters then took our tamariki through a process of how to look for a need and make a plan to help that need. The children came up with all sorts of plans such as improving the school pool, making our toilets more artistic spaces and having more animals at school.

The children all had different ideas that they took away from the day. A few examples from the children sitting beside me are.

Ollie - "I learnt how to make a good plan about organising something around school"

Maisie - "There are multiple ways to take responsibility as a leader"

Toby - "We automatically thought that we were great leaders but we learnt that there is a bit more to it than that"

We need to thank the PTA who have helped with the cost of the bus for today. Their help has made a big difference to us all.

Well, we better wrap it up there, the children are still full of energy so need a run around at the Lumsden playground.

*Nga mihi nui,
Grant Excell*

You, Me And The Sea Art Workshop

This term our Middle Team are lucky enough to be hosting artist Janet de Wagt at the school to hold art workshops with our tamariki. Janet currently has an exhibition called Coastal Murihiku at He Waka Tuia (Southland Art Gallery and Museum). She will be holding workshops with children around Southland throughout the term and their pieces of art will be put on display at the art gallery also.

Our children will be creating their masterpiece from recycled plastic, cardboard and paper. We would very much appreciate it if you could hold on to these items for us so we have enough for these workshops. Please feel free to drop these into Rooms 4,8,9 or 10 at any time. Thank you.

The Incredible Influence of Family

with Monty Temple, local Counsellor

Monty Temple has been counselling couples, families and individuals for 13 years, and he has come to see that family is one the most powerful influences in people's lives. Growing up in a big family, and raising four children with his wife Kay, has reinforced this perspective. It is the driving force behind his passion to help his clients create safe, healthy and nurturing families.

Join Monty as he shares the various models of understanding that guide his work with families, including: connection and bonding, communication and conflict resolution, healthy boundaries and limits, family structure and relational patterns, and managing emotions and behaviour.

Understanding these models can help parents step back and look at the big picture, which in turn helps them cope better during those intense moments of family life. Raising a family is an amazing but challenging journey, so come and get a few maps to guide your way!
