Climbing Our Way To The Top!!

Term 2 Week 7 2021

Principal's Pen

Dear Parents, Caregivers and Whanau,

As many of you will be aware, we have been a growing school for a number of years.

With these growing numbers we have often had to make changes to the way that we run our school.

One of these areas is with our school productions. After our last production in 2018 (Explorers of Fiordland) we made the decision that it would be our last full school production. This year, we will for the first time do three separate productions. Each team, Junior, Middle and Senior will perform their own production.

These productions are set down for the 24th, 25th and 26th of August.

The Junior show will be based on Nursery Rhymes, the Middle Team will be Te Anau's Got Talent and the Seniors will do a Musical show based on our Pet Day.

We very much look forward to showing off our talent!

*Nga mihi nui,
Grant Excell*
