Climbing Our Way To The Top!!

Term 3 Week 9 2021

Principal Pen

Dear Parents, Caregivers and Whanau,

With all that has been interrupted and changed in the last month, the last two weeks back at school have carried on as smoothly as could possibly be expected. At the end of the day, kids are kids and just want to be together.

As you will know, we were meant to present our productions during lockdown. The teachers of Te Anau School have done an amazing job of getting our tamariki back up to speed and getting them ready to have their shows filmed. Yesterday and today have been action packed at school with film sets set up in and around the school. Although we won't end up with a stage show, we will have some awesome videos to watch and share.

Once these videos are tweaked and edited, we will present them in a way that is most appropriate for the children, teachers and Alert Levels at the time. What we will make sure of, is that everyone gets the opportunity to see them.

While talking of presentations, last night we were very proud to have two of our akonga, Libby Excell and Fletcher Dawson present their speeches at the Northern, Western Speech Competition in Lumsden. Libby came second in this competition and is now heading to Invercargill next week to deliver her speech at the Southland wide competition. Once again Te Anau School students are performing well on a broader stage.

Nga mihi nui,
Grant Excell
