Climbing Our Way To The Top!!

Term 4 Week 3

Principal's Pen

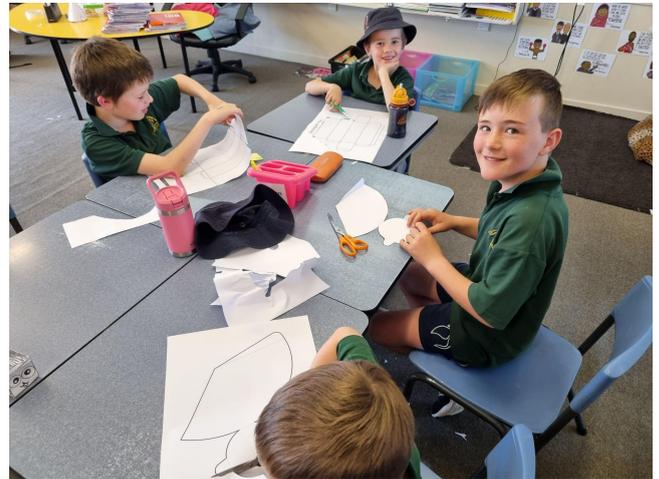

Dear Parents, Caregivers and Whanau,

Some days at school we have special bike days or pet days or boating days. These days are always fun and exciting. Today at school we had a day that sometimes doesn't seem as fun and exciting but turns out just as good. Today was Maths day!

The day involved the children in multi level groups working together to do a range of maths activities. This included measurement (gumboot throwing), probability (rolling dice), geometry (finding shapes around our school) and many more activities.

Yes, the day was fun but it was more than that. Our school TOP values of Together, Optimism and Pride shone through all day. The way our older children stepped up to help the little ones and the maths learning that happened in a different context made the day amazing for all of our tamariki!

Nga mihi nui,
Grant Excell

School News
