Climbing Our Way To The Top!!

Term 2 Week 10 2022

Principal's Pen

Kia ora Whanau,

What a fantastic afternoon of skipping the Te Anau School Children had yesterday. It was our Jumping June (in July) celebration.

The children were in 16 groups made up from their houses. The children took part in 8 different skipping activities. There were lots of fun activities such as relays, games, using short ropes and long ropes. The teachers had all sorts of fun activities.

It is days like this that you see all of our children displaying their values. The children worked together, had huge amounts of optimism and pride in what they were doing. I loved seeing the older children help out the younger ones. We have a lot of caring kids at Te Anau School.

By the end of the day there were a lot of tired children but they had had so much fun.

I hope that you all have a fun school holiday and I look forward to seeing everyone back at the beginning of Term 3.

Nga mihi nui,
Grant Excell
Principal

Matariki display at DOC

For those who haven't stopped into our visitor centre recently, we wanted to share that we've transformed the museum space into a temporary display for Matariki. We invite you and your whānau to stop in and take a look!

We have a nocturnal creatures of Fiordland display, information on Matariki, two huge photographs of Fiordland's dark sky, Matariki values along one wall, and an illustrated Matariki children's story on another. We also have loads of printed activity sheets and colouring sheets.

And, there is a star reflection activity that anyone can do with examples hanging on the walls.

We will have this display up until the end of July. We hope to see you soon!

Southland's biggest family festival with over 160 activities!
