Climbing Our Way To The Top!!

Term 3 Week 3 2023

Principal's Pen

Kia ora Whānau,

Last night the board met to discuss the strategic direction of our school. This is the beginning of a process that takes place every two or three years to help guide the school in the direction that meets the needs of our school community.

There are certain government policies and plans that we will have to introduce through this process but to ensure that our strategic plan reflects what our community needs, we will be consulting with a variety of groups in the community. This will include parents, teachers and students, both current and previous.

In the next few weeks, you will receive a survey asking about certain areas of our school and an opportunity to put forward your own ideas. There will also be a section relating to our health curriculum and what people would like to see included.

We look forward to hearing your thoughts.

Ngā mihi nui,

Congratulations to Aylee Duncan of Room 14 for her winning name 'Atawhenua'!

You can watch a short video of the name being chosen on the Department of Conservation (Fiordland) facebook page.

Te Anau Soccer

There is an opportunity for our 9 year old and above children to play in a tournament in mid-September in Invercargill.

We are gauging interest at present to see if we can make up a team or two.

If you have a child who is 9,10, 11, or 12 years old and is a registered Te Anau Soccer player, then please email steffbreaaksma@gmail.com with their name and age. (If you have already commented on our Facebook Page then we already have your details so no need to email :)

Head to www.oldboysafc.co.nz/7aside to find out more information. We will need parent helpers as either coaches, managers, or drivers!

This sounds super fun for our kids that are keen to play against others in Southland!
