Climbing Our Way To The Top!!

Term 4 Week 8

Principal Pen

Kia ora Whānau,

On Monday we were lucky enough to have two representatives here from Emergency Management Southland with their 'Shakey Trailer'. This trailer simulates an earthquake so that the children can get the feel of what an earthquake would be like in a safe environment.

The children first learnt what to do in an earthquake and then had a go inside the trailer. There are some examples of writing from our Room 13 tamariki later in this newsletter.

The children were taught two sayings, 'Drop, Cover, Hold' in the case of an earthquake and 'Long or Strong, Get Gone' for if they are near the ocean.

This was a great follow-up from our earthquake drill at the beginning of the term. We have some very prepared learners at Te Anau School.

Ngā mihi nui,
