Climbing Our Way To The Top!!

Term 2 Week 5 - 2024

Principal's Pen

Kia ora Whānau,

As the days are getting shorter and the weather being incredibly variable, it is a good time to think about our students safely making their way to school.

All students are issued with a vest at the beginning of the year. These vests are an important part of our school safety system. As a school though, we need parent help in ensuring that students are wearing these, particularly in the morning. Sometimes it is easy to think, they'll be right or my child is old enough not to need a vest. This is no excuse, for our children to be seen, a vest is important.

Our older students are in fact role models around our school, this makes it even more important that they wear their vests.

If your child has lost their vest, please see us and we will organise another one.

Another note about safety and getting to school is the speed that we drive near our school and in particular near our buses and crossings.

When passing a stopped school bus, the legal driving limit is 20 kmh, this means that outside our school in the afternoons and most of the time before school drivers should only be doing 20 kmh.

Road safety is always going to be a group effort, please do your bit to keep our tamariki safe.

Ngā mihi nui,
Grant Excell
Principal

School News
