Dear Parents, Caregivers and Whanau

The temperature has certainly dropped on us this week! It certainly feels a lot more like winter now.

Tomorrow we start our clubs programme again. We have added three new clubs this round. We now have Bush Skills Club, Learning Languages and BeyBlade Club. It is great to be able to use the children's ideas and put them into action for this programme. Thank you to all of the parents who have offered to help out and run clubs, we cannot operate the programme without you.

Our children are underway with their School Fair planning. Lots of great ideas have come out already about ways the children can entertain, feed and sell to make money for our future hall. A letter will come home early next week regarding items that we would like to help us run our fair.

As in recent years our school roll continues to grow. This means that we need to open a new classroom. Room 11 will open at the beginning of Week 4. We are lucky to have employed Karyn Gamble into the role of teaching this class. Karyn has done various jobs at Te Anau School over the past few years and we look forward to having her back on the team. During Term 3 the class will operate from 9am through until 12:45pm with the children joining back up with Room 12 in the afternoons. In Term 4 it will be a full time classroom which will start off with 10 children and will be full by the middle of Term 4.

Nga mihi nui,
