Dear Parents, Caregivers and Whanau,

One of our Board of Trustees goals is Engaging with our Community. Over the last couple of weeks this has been evident everywhere you look around our school.

Firstly with our Clubs programme. We have a range of parents, grandparents and community members helping us out. A glimpse of this is below where local Croquet Club members (Maureen, Bill, Suzanne, Lorraine and Karen) helped out our 'sports' club to learn a new skill.

Secondly, the helpers we have had in classes helping out in preparation for our school fair has been awesome. Parents have been sewing, creating and designing throughout many of our classrooms. Below is a picture from Room 8 who were preparing creations out of flax.

The help we receive from you all is amazing. Thank you for what you do for our tamariki!

Nga mihi nui,  
Grant Excell  
Principal
