Climbing Our Way To The Top!!
Term 2 Week 6 2020

Principal's Pen

Dear Parents, Caregivers and Whanau,

It has been fantastic to be back at school with the children this week. They have come back from our unexpected break with the energy and smiles that we all hoped for. It really does say a lot about the resilience of our young people. As a community we have some tough times ahead. I do believe we will get through it and with the positivity I have seen from the children this week I am only more encouraged.

I want to say a huge thank you to everyone in our school community who has supported us through these tough times. We were thrust into an unknown that included words like 'bubbles', 'social distancing' and 'at home learning'. It was great to have your support behind us.

I want to thank the teachers who, within just a couple of days of going into lockdown, had organised systems to work from home. Their effort made life for everyone that little bit easier.

I would also like to extend the school's thanks to Fiordland Lobster Company Ltd. FLC have for four years now sponsored our senior students to have their own chromebook computers. These devices were instrumental in getting our Senior learning from home systems into practise. This meant we could rely on devices being available in the homes of our Year 4 to 6 students.

As we move through Level 2 I remain hopeful that Level 1 isn't too far away. Thank you for staying away if you can and signing in whenever you enter school property.

Nga mihi nui,
Grant Excell
Principal
