Climbing Our Way To The Top!!

Term 3 Week 3 2020

Principal's Pen

Dear Parents, Caregivers and Whanau,

Over the last couple of weeks we have begun what has traditionally been called 'Clubs' at Te Anau School.

This year we are organising it slightly differently. Our Middle and Senior Teams are working in separate groups.

Our Middle Team is going on Nature Excursions to four different locations around Te Anau to focus on Geology, Plants, Animals and Water. These sessions are then followed up by a classroom learning session based around the same topic.

Our Senior Team is doing 'Clubs' as we have known it in the past. This term the options that were selected most and are taking place are sport, computer coding, baking, science, CO2 cars, dance and art.

I would like to extend a huge thank you to all of those parents who are helping out with our excursions and clubs. These experiences really are what stick in childrens' heads when they remember their time at school.

Nga mihi nui,
Grant Excell
Principal

Welcome

Te Anau Bird Sanctuary - Butterfly Garden Planting Event

Join us at Punanga Manu o Te Anau/Te Anau Bird Sanctuary for a very special planting event during Conservation Week! We have a vision to establish a butterfly and moth garden at the sanctuary by planting important habitat foods for native butterflies and moths. Help us bring this vision to life by bringing a shovel and doing some digging! The whole family is welcome as there will be crafts and kids' activities available plus a yummy afternoon tea!

Senior Ecologist and Entomologist Brian Patrick will be joining us from Christchurch to lend his expertise and assistance to the planting event PLUS will be sticking around to give an **evening talk at the Fiordland National Park Visitor Centre at 7:30 PM.**
