Climbing Our Way To The Top!!

Term 3 Week 6 2020

Principal's Pen

Dear Parents, Caregivers and Whanau,

For those of you who have been around the school lately you would have noticed that we have installed new signage for our classrooms. This new signage has been a project supported by our PTA and funded for by Four Square Te Anau.

The project started as some parents had found it hard to find their way around school. We had wonderful big numbers on the front of our classrooms however when entering the school from the back of the classrooms (which the bulk of people do) it was hard to navigate around the school.

Each classroom has new numbers in English and Te Reo on the back, the end of the blocks have signs indicating what rooms are in the blocks, our 'directional sign' has been updated with new arrows and there are school maps at the Bligh Street and Milford Road entrances.

A huge thank you goes out to Callum and Marissa Bruce from Four Square Te Anau who fully funded the signage, it looks amazing. We are super lucky to have such supportive people in our community.

Nga mihi nui,
Grant Excell
Principal
